

Greater Atlanta Schutzhund Association Training, Participation and Liability Agreement

All members, handlers, guests and participants must sign this Agreement to attend or participate in the Greater Atlanta Schutzhund Association ("GASA" or "club") activities. Parent or legal guardian must sign for minors.

I understand that canine sports and training involve unavoidable risks of injury, loss and disease to persons, dogs and property, including risks from dogs, spectators, participants, vehicles, equipment, training methods, food, drink and travel.

By signing this form, I certify that my dog(s) are physically and mentally fit for training, competition, contact with the public, dogs and other participants, have current rabies and other vaccinations and are free from all communicable diseases.

In consideration for the opportunity to participate in and/or observe training, competition and/or exhibition, intending to be legally bound, I agree as follows:

1. I will be fully and solely responsible for the actions of myself, my family and my dog(s) while engaged in any club activities, whether on club property, tracking fields, training grounds, competitions, shows or any other location;
2. I will maintain control of and be responsible for the welfare of my dog(s) during all club-related activities;
3. I hereby waive, release, hold harmless and defend this club, its officers, directors, members, guests, club and third-party trainers/educators, judges, agents, property owners and their successors from any and all claims of loss, injury or disease to myself, my family members, my property or my dog(s) arising directly or indirectly from, or in any way related to, participation in or attendance at any activities of this club whether on or off club property;
4. To the fullest extent permitted by law, I shall indemnify, hold harmless and defend this club, its officers, directors, members, guests, spectators, club and third-party trainers/educators, judges, agents, property owners and their successors and assigns from any and all claims of loss, injury or disease to any other persons, dogs or property arising directly or indirectly from, or in any way related to, the participation of myself, my family or my dog(s) in, or attendance at, any activities of this club whether on or off club property;
5. In case of emergency, the club may in its sole discretion authorize medical treatment for myself, my family or my dog(s);
6. The club has my permission to take and use photographs, videotapes and other recordings of club activities involving myself, my family or my dog(s) for any lawful purpose without compensation; and
7. I will abide by club by-laws and rules.

The club hereby disclaims any undertaking to protect personal property, including vehicles and contents, equipment, cameras and valuables, from loss, theft, damage or vandalism and disavows any responsibility for any and all such losses that may occur at any club activity.
